

Inspire Scholarship Fund

c/o The Justice Education Center, Inc.
62 LaSalle Road, Suite 308
West Hartford, CT 06107

Winter, 2024

Dear Friends,

We are honored to invite you to join us as we launch Connecticut's **Inaugural Inspire Invitational** golf tournament on Friday, May 31st, 2024, which will be held at Tunxis Country Club in Farmington.

100% of the tournament's proceeds will be used to establish the statewide **Inspire Scholarship Fund**, dedicated to children and youth throughout Connecticut.

Whether it be in the fields of sports, arts, music, the sciences or technology, our goal is to provide young people with the tools, instruction, and resources they need to explore their passions and pursue their dreams.

There are many ways to help.

Guests will have the choice of playing on either of two 18-hole courses or the 9-hole course at the Country Club. If you do not wish to play, please join us immediately following the tournament for our cocktail reception, buffet, raffle and auction in the Pavilion at 2:30 p.m.

Joining us will be The Honorable Matt Ritter, Speaker of the Connecticut House of Representatives, who will be receiving the first **Inspire Legacy Award** in recognition of his lifelong commitment to helping Connecticut's children and families.

No contribution is too small.

Details on registration, sponsorship opportunities and donations to our auction and raffle can be found at our website, www.inspireinvitational.com or by scanning the QR code at right. 100% of the proceeds from the Inaugural Invitational Tournament will go to support the Inspire Scholarship Fund. The Justice Education Center is a 501(c)(3) non-profit corporation and all contributions and donations on behalf of the Inspire Scholarship Fund are tax-exempt.

Feel free to contact us with any questions you may have, at inspire@justiceeducationcenter.org.

No contribution is too small to make a difference in a child's life. Please join with us to help Connecticut's young people learn, grow, explore and imagine all the possibilities that are theirs to discover!

On behalf of The Justice Education Center, thank you so much for your consideration.

The Justice Education Center, Inc.

For 48 years, The Justice Education Center has been committed to helping children, youth, families and strengthening our communities. Our programs are far-reaching and include girls and boys sports, health and wellness; pre-apprenticeship trainings to prepare youth and young adults for technology careers; year-round and summer prevention programs in sports, arts, and nutrition that are designed to encourage teamwork, build confidence and self-esteem; preparatory programs for high school juniors and seniors to help them successfully transition to college or the workforce, and second chance programs for people returning to our communities.

(Our newest 30-week program launched in January — Project MOO — is introducing 8-14 year-olds to farm life and the caring for animals.)

The Justice Education Center is funded through a combination of federal, state, municipal, and private funds. Members of the Board of Directors are leaders in the fields of justice, education, business, public policy, health, community safety, and wellness, many of whom have been with the organization for a number of years. For more information, visit www.justiceeducationcenter.org.
